# What is fraud?

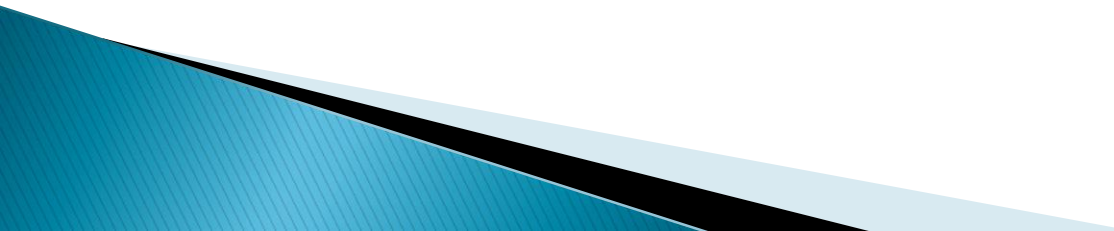

**Fraud** is a type of criminal activity, defined as: 'abuse of position, or false representation, or prejudicing someone's rights for personal gain'. Put simply, **fraud** is an act of deception intended for personal gain or to cause a loss to another party.

- The Serious Fraud Office

# Why does fraud happen?

# Scenario

- ▶ Who in this room considers themselves an honest person?
  - ▶ What if there was a large pile of cash on a table that you thought you could take and not be caught?
  - ▶ What if you could guarantee that you would not be caught?
  - ▶ What if you needed the money to pay for a life saving operation for a loved one?
  - ▶ Opportunity/Rationalisation/Motivation
