Sundry Debt Workshop South Ribble BC, Leyland Thursday 26th September 2019

The Lancashire and Cheshire Association recognise that the delivery of high quality professional events is a key requirement for our members. We are pleased to announce that a Sundry Debt Workshop will be held on the 26th September at the offices of South Ribble Borough Council in Leyland.

With the budget pressures on local authorities it has never been more important for a local authority to maximise its income from sundry debts and miscellaneous income by applying best practice and using the recovery and enforcement powers available to them.

Our seminars are always well subscribed with positive feedback from both delegates and employers. At **£100 per delegate** I believe the event offers excellent value for money; it will of course be delivered to the usual high standards of the Lancashire and Cheshire Association. **The Association continues to offer a FREE place to student members as well as a generous 50% Discount for all individual members of the Institute.**

The content of the workshop has been specially designed to be relevant to all those involved in the collection of Sundry Debts covering real life experience, best practice, negotiation, making a claim through the courts and a mock court hearing. The workshop is interactive providing opportunities for delegates to seek advice in respect of problematic cases from speakers and peers from other authorities.
