Dealing with Vulnerability in a Revenues Environment—Half Day Seminar

Thursday 14th August 2014

This is first time that the Association has run a specialist seminar covering this sensitive topic. The seminar will take into account the many changes affecting the world in which we work and the requirements of the Tribunals Courts and Enforcement (TCE) Act Regulations 2013/14 surrounding the identification of vulnerability. At £60 per delegate the session is competitively priced. In addition the L & C Association is continuing to offer members of the Institute a generous 50% Discount.
